**Soccer Stats Mad March Offer** Soccer Stats has returned to Ab Initio Games after an absence of ten years.

After a long period away, I have taken back over the running of Soccer Stats, the stats based game running with weekly deadlines where you are the manager of a team of Premiership Superstars and your team's performances week-in, week-out are dependent on their performances. The transfer market is fast and furious (no windows here) and you have to balance your club's finances, monitor income and expenditure and do all of the stuff that Peter Ridsdale showed he couldn't.

It's fully playable by post, or via the Internet. Receive your results by post or by email, submit your orders by post or via softsim.co.uk to allow you to wait to the very last minute for news before making your selections.

Throughout the rest of February and March we'll have a special offer to all players at Ab Initio Games, any time you pay for ten or more credits in your existing game you can claim a free startup in Soccer Stats (rules, standby and first two turns included) - just put a note with your payment telling me you wish to join. Alternatively, £10.00 gets you rules, setup and first eight turns. Normal turnfees are £2.00 for one, £8.00 for four, £18.00 for ten or £32.00 for twenty. Why not try it?

**Late Results** A reminder on late results. If you receive them via email wait 24 hours, if you receive them by post wait three days (in fact, I'd suggest wait until you've received Monday's post) before contacting me. If you've access to the net check the latest news section on www.pbmsports.com as I report delays there. Don't bother contacting me before these 24 hours/3 day deadlines, because the answer will be either "I did send them, please wait" or "I'm running late, so probably don't want to be further delayed responding to this". Bottom line, please be patient, but once those times have passed, then do chase them up.

**Email Reports** There's a downloads page on www.sidetracks.co.uk with the printing utility and a sample game report, so you can collect and install the printing program and try it out without needing anything more from us. There's even enough information to allow you to fill in the turn and try playing it! Email reports are available for ALL games (bar none). You can receive results by email AND post (because you like the quality of our printers) if you wish (an extra 0.2 credit cost).

**Internet Orders** Internet orders (www.softsim.co.uk) are available for all games here except Advanced Gameplan & Run Chase. If you can please use the website for sending orders - better for me, better for you as it's much quicker and more reliable. You need a username to use it, so email and ask for one (don't put a note on your turnsheet, you need to email and ask). You can also make credit card payments via softsim.co.uk, although these are generally more expensive than shoving a cheque in the post....

**Credit Cards** You can pay for turns by credit card via www.softsim.co.uk - more expensive than posting a cheque, but rather more instant. The rates quoted are in US Dollars, but you can pay in any currency and the Credit Card bit has a currency converter to tell you the rates. Please note that emailing me to tell me "payment is on the way" really doesn't help - I'll add credits when and if payment arrives, not in lieu of it probably arriving (which just creates more work, and is liable to problems).

**Royal Mail** Please remember that you really ought to allow at least three days for first class post to arrive. Those who wait until the last minute and expect next day delivery are playing with fire, and do so at your own risk. Not much I can do bar

warn you. The service really doesn't guarantee next dday delivery, so give it time, or if you can, submit orders via the Internet.

**Internet and Faxed Orders** The deadline for these is 9am day of the deadline. Somewhat improbably, some people even manage to miss that, which can be a pain (if I pick up the orders in time) or cause confusion (if they get input subsequently, after the turn is run). Don't submit them late - if you do, don't be surprised if it doesn't turn out the way you expect it.
