Christmas Post A reminder that from now until Christmas the annual cardfest will take place, so the post will become slow(er) and (more) unreliable than usual. Those who do rely on the post should post early and expect delays.

Christmas Hours The office will close on Thursday 18th December and I won't be processing turns the week of Christmas, but I will run turns normally the New Year week, so make sure you're able to get in orders for 31st December/1st January.

Processing - 9am A reminder that as of now I've declared "next day post" dead and will start running games at 9am in the morning, rather than twiddling my thumbs waiting for the day's snail mail delivery some time in the afternoon.

For postal players, it means you need to be a bit more organised - you can't post orders one day in the expectation/hope they'll be with me the next day - they won't - MAKE SURE you post early. The positive side, unless other things disrupt me, results will be out earlier - both for the email guys (who'll get them a few hours earlier) and probably in an earlier postal collection too.

Reserve Squad I'd like comments on the possibility of expanding the reserve squad in Gameplan Baseball. There's definitely one spot I could add, and maybe a second if you gave up your third round draft pick (which could be optional) and when I've time I could see if the software could cope with a few other spots being added (though I doubt enough to expand to a 40 man roster).

A larger reserve squad might enable rebuilding teams to do more development, not so much using the spots to use as reserves for the active squad, but developing young players for maybe more than a season until they're ready for the major leagues. If we did expand it, I'd probably increment income accordingly to cover the wages of the extra guys you'd be carrying. Comments welcome.

Alternative Address My advice about addresses remains the same. Until further notice, I'd recommend that rather than addressing orders to my PO Box, you use my "direct address" for orders, which is as follows:-

Danny McConnell, 49 Westpoint, Shortlands Grove, Bromley, Kent, BR2 0ND

If you use the PO Box address, don't worry. That'll still get delivered as I'm not going to cancel it any time soon (one of the reasons to use a PO Box is that if I move, I can leave the address for you guys unchanged).

Late Email Results If you think results are late, please make sure you wait until the following morning before chasing up results. First step is to check out the Latest News at www.pbmsports.com - if I am running late I'll post a notice there. Please don't chase me up because you know your mate got his half an hour ago, because whilst most emails are "instant", often they do get delayed for a few hours and it does take a while to send them all out (I spread them out to avoid triggering firewalls).

Equally however, if it's the next morning and you've not had results, and there's nothing on www.pbmsports.com saying I've had a problem, then please chase me up. If it hasn't shown 12 hours later, odds are it won't, and probably some firewall or spam filter somewhere has gobbled it (and they do appear to do so without pattern). I'd rather you ended up with two copies than none.

PDF Reports Emailed game reports are available for all games here. The standard format is a PDF file - Adobe Reader is free to download (see www.pbmsports.com for a link) and you can open your reports with one click of the mouse and you can either view
