**Happy New Year** Hopefully everyone survived Christmas, and the Christmas Post! Happy New Year to everyone.

**Playoff Keys and Bonuses** I'm considering making a change to way keys and bonuses work in the playoffs. During the regular season, you have one key and one bonus per opponent, which seems to me to be perfectly logical. Once you get into the playoffs, the decision making process gets rather simpler - you have the same opponent for all (two or) three series so many coaches apply the same bonus and key for each series. Combined with the fact that you don't have injuries to contend with (which I don't propose to change) and probably not fatigue either it's all rather automatic, and gives you rather fewer decisions to make.

My suggestion is that you should still have three keys for the playoffs, but that all three keys will apply for every game (on a sliding scale). It'll give you more decisions to make, and is probably more realistic too. During the regular season teams play one opponent for three days, then move on, and there aren't too many opportunities for your coaching staff to make specific adjustments for particular opponents (which is what keys and bonuses are meant to reflect). However, during the playoffs a team have 7-10 days against one particular opponent, so it's rather more logical that they'll have more time to hatch specific plans.

At the same time, I may well crank up the effectiveness of keys and bonuses overall, to make them a little more significant.

Comments are welcome - I think it'll both be more realistic, as well as giving you more decisions points to make (it'd also make it rather more viable to key opposition pitchers, because there's much less worry about keying a pitcher who then doesn't play because your opponent has juggled his rotation) and more control over what can happen in the playoffs.

**Recruiting** In the past we've offered a couple of free credits if you introduce someone new to one of our games. I'm now going to increase this "bounty" to five credits. It's becoming harder and harder to persuade new people to play PBM games, so it makes to try and increase the reward to encourage you guys to try and find more people to play the games, providing us with customers and you with opponents! Please be clear that this bonus is for recruiting NEW players - persuading someone to leave one league to join another, or move to Raceplan from Gameplan doesn't count. If you're on a chat forum for fans of your sport, or a member of a fan club and so forth, then preach the gospel and if people mention you when they join, we'll add the credits.

**Late Email Results** If you think results are late, please make sure you wait until the following morning before chasing up results. First step is to check out the Latest News at www.pbmsports.com - if I am running late I'll post a notice there.

**PDF Reports** Emailed game reports are now available for all games here. You should find PDF reports rather easier to cope with - Adobe Reader is free to download (see www.pbmsports.com for a link) and you can open your reports with one click of the mouse (indeed, you don't need a printer, though most of you will then print from it) and you don't need to worry about dodgy email clients (Hotmail and AOL are particularly common culprits) messing up the formatting, or printer drivers. The text format for emailed reports is still available but I only expect people will want to do so if they use the text file for other purposes (such as exporting the listings into some software you've produced yourself).

If you've not tried email reports before, or you've had problems, try out the PDF. It really is very straightforward.

**Credit Card Payments** If you want to pay by credit card over the Internet you now have the option of paying in Sterling, US Dollars or Aussie Dollars, whichever you prefer. Cheques are still fine as well, and actually mean slightly lower charges for us!

**Websites** The website for submitting orders is at [www.softsim.co.uk](http://www.softsim.co.uk). [www.pbmsports.com](http://www.pbmsports.com) is our main "static" information website, as well as news of what's going on here. For news of what is happening with Pete in Yeovil see [www.sidetracks.co.uk](http://www.sidetracks.co.uk). For information on baseball and how it works, see [www.howbaseballworks.com](http://www.howbaseballworks.com) - a site also designed for recruiting new punters!
