Next Turn Next turn (22nd and 23rd December) will be the last turn before Christmas for leagues run today (8th and 9th December). After that your next deadline will be mid January, so there's no panic if those results are slow in reaching you (don't expect them before Christmas, and they'll be slow catching up before New Year). Please assume next turn WILL run on time, as with everything else going on here I'm rather having to run stuff when I have the opportunity, I can't pick and choose.

Christmas is Coming Christmas is coming, so please be aware that the post will start to grind to a halt (no gags required). Over Christmas we'll effectively miss one week of play, which will be the week beginning Monday 27th December. I intend to run turns due with deadlines on Wednesday 22nd and Thursday 23rd on time. Suffice to say, relying on the post will be a dangerous option, and if you do have access to email and the Internet (for orders, results, or ideally both) then now is a really good time to crank them up!

Turnaround As some of you may have noticed, turnaround has been a little slow on a couple of recent occasions. This has been due to a family illness which is likely to continue for some time. What is basically means is that at short notice I'm potentially out of the office (and therefore not running games), so please be patient and take a careful note of the house rules - email results shouldn't be chased until they're 24 hours overdue (and check the latest news section of www.pbmsports.com first - even if I get in so late I can't finish off running games I'll update this) and postal users please wait 3-4 days before asking. Once those times have passed, then please do chase them up as probably something else is the problem.

Online Orders If you submit your orders online, the confirmation that they've been received by us is the page that comes up in response to you pushing the button. When you see that page, your orders are in. The version that's emailed to you is just for information - we email it to save you having to copy and paste or save it as a screenshot. If the email copy of your orders doesn't appear don't worry about it - emails get delayed or go missing quite often (far more than some people think).

Email Results Emailed results are normally sent out between 3pm and 6pm. If there's a delay in processing, it'll say so on www.pbmsports.com - please check there first. If you haven't received emailed results 24 hours after they're due, then email me and ask for them to be resent. Don't ask me before the 24 hours are due, but don't wait much longer either.

Email Game Reports There's a downloads page on www.sidetracks.co.uk with the printing utility and a sample game report, so you can try the printing program without needing anything more from us. Email reports are available for ALL games. You can receive results by email AND post (because you like the quality of our printers) if you wish (an extra 0.2 credit cost).

Internet Orders Internet orders (www.softsim.co.uk) are available for all games here except Advanced Gameplan & Run Chase. If you can, please use the website for sending orders - better for me, better for you as it's much quicker and more reliable. You need a username to use it, so email and ask for one (don't put a note on your turnsheet, you need to email and ask). You can also make credit card payments via softsim.co.uk, although these are generally more expensive than shoving a cheque in the post....

Email Both Ways You can use email for your orders, or reports, or both, or neither. They work separately.
