**Late Email Results** If you think results are late, please make sure you wait until the following morning before chasing up results. First step is to check out the Latest News at [www.pbmsports.com](http://www.pbmsports.com) - if I am running late I'll post a notice there.

**PDF Reports** Emailed game reports are now available for all games here. You should find PDF reports rather easier to cope with - Adobe Reader is free to download (see [www.pbmsports.com](http://www.pbmsports.com) for a link) and you can open your reports with one click of the mouse (indeed, you don't need a printer, though most of you will then print from it) and you don't need to worry about dodgy email clients (Hotmail and AOL are particularly common culprits) messing up the formatting, or printer drivers. The text format for emailed reports is still available but I only expect people will want to do so if they use the text file for other purposes (such as exporting the listings into some software you've produced yourself).

If you've not tried email reports before, or you've had problems, try out the PDF. It really is very straightforward.

**Credit Card Payments** If you want to pay by credit card over the Internet you now have the option of paying in Sterling, US Dollars or Aussie Dollars, whichever you prefer. Cheques are still fine as well, and actually mean slightly lower charges for us!

**Websites** The website for submitting orders is at [www.softsim.co.uk](http://www.softsim.co.uk). [www.pbmsports.com](http://www.pbmsports.com) is our main "static" information website, as well as news of what's going on here. For news of what is happening with Pete in Yeovil see [www.sidetracks.co.uk](http://www.sidetracks.co.uk). For information on baseball and how it works, see [www.howbaseballworks.com](http://www.howbaseballworks.com) - a site also designed for recruiting new punters!
