Happy Christmas This is your final turn before Christmas. Don't be surprised if the results have been slow reaching you, but there's plenty of time for the post to clear before your next turn after the New Year.

Meanwhile, very best wishes to one and all for the festive season.

Christmas Hours The office will close at the end of Thursday 22nd December. Turns due that day will run on time, in the hope they reach you by Christmas Eve. Aside from a round of Gridstats (due Tuesday 27th December) I'll then be closed until Tuesday 3rd January 2006, which effectively means one week off running games (week beginning Monday 26th December).

Recruiting In the past we've offered a couple of free credits if you introduce someone new to one of our games. I'm now going to increase this "bounty" to five credits. It's becoming harder and harder to persuade new people to play PBM games, so it makes to try and increase the reward to encourage you guys to try and find more people to play the games, providing us with customers and you with opponents! Please be clear that this bonus is for recruiting NEW players - persuading someone to leave one league to join another, or move to Raceplan from Gameplan doesn't count. If you're on a chat forum for fans of your sport, or a member of a fan club and so forth, then preach the gospel and if people mention you when they join, we'll add the credits.

Late Email Results If you think results are late, please make sure you wait until the following morning before chasing up results. First step is to check out the Latest News at www.pbmsports.com - if I am running late I'll post a notice there. If not, then drop me a line, but please do wait until that next morning - emails aren't always instant and just because you know someone else who got their results doesn't mean yours won't show up - emails can take a few hours to get through.

PDF Reports Emailed game reports in Gameplan Baseball, Raceplan, Hoopplan, Slapshot, Gridstats and Soccer Stats are now available as PDF files. Other games will follow as we get them programmed (so please be patient).

I won't change your game reports from "Text" to "PDF" until you ask me to, and if you want a trial of a PDF report let me know. You should find PDF reports rather easier to cope with - Adobe Reader is free to download (see www.pbmsports.com for a link) and you can open your reports with one click of the mouse (indeed, you don't need a printer, though most of you will then print from it) and you don't need to worry about dodgy email clients (Hotmail and AOL are particularly common culprits) messing up the formatting, or printer drivers. If you want to stay with the text format that's fine but I only expect people will want to do so if they use the text file for other purposes (such as exporting the listings into some software you've produced yourself).

If you've not tried email reports before, or you've had problems, try out the PDF. It really is very straightforward.

Credit Card Payments If you want to pay by credit card over the Internet you now have the option of paying in Sterling, US Dollars or Aussie Dollars, whichever you prefer. Cheques are still fine as well, and actually mean slightly lower charges for us!

Websites The website for submitting orders is at www.softsim.co.uk. www.pbmsports.com is our main "static" information website, as well as news of what's going on here. For news of what is happening with Pete in Yeovil see www.sidetracks.co.uk. For information on baseball and how it works, see www.howbaseballworks.com - a site also designed for recruiting new punters!

Internet Orders For Gridiron Stats should be submitted online by noon Saturday (UK Time). The confirmation that they've been received by us is the page that comes up in response to you pushing the button. When you see that page, your orders are in. The version that's emailed to you is just for information - we email it to save you having to copy and paste or save it as a screenshot. If the email copy of your orders doesn't appear don't worry - emails get delayed or go missing quite often (far more than some people think). The more people who submit orders via the internet the better - if you want more information, just ask.
