## Messages

**NFL Europe Gridstats** NFL Europe Gridstats has restarted for the current season. Standbys only, and you need to move quickly. A fiver will get you a startup, rules and first three turns.

**Soccer Stats** After a long period away, I have taken back over the running of Soccer Stats, the stats based game running with weekly deadlines where you are the manager of a team of Premiership Superstars and your team's performances week-in, week-out are dependent on their performances. The transfer market is fast and furious (no windows here) and you have to balance your club's finances, monitor income and expenditure and do all of the stuff that Peter Ridsdale showed he couldn't.

It's fully playable by post, or via the Internet. Receive your results by post or by email, submit your orders by post or via softsim.co.uk to allow you to wait to the very last minute for news before making your selections. Throughout the rest of April we'll have a special offer to all players at Ab Initio Games, any time you pay for ten or more credits in your existing game you can claim a free startup in Soccer Stats (rules, standby and first two turns included). Alternatively, £10.00 gets you rules, setup and first eight turns. Normal turnfees are £2.00 for one, £8.00 for four, £18.00 for ten or £32.00 for twenty.

**Email Game Reports** There's a downloads page on www.sidetracks.co.uk with the printing utility and a sample game report, so you can collect and install the printing program and try it out without needing anything more from us. There's even enough information to allow you to fill in the turn and try playing it! Email reports are available for ALL games (bar none). You can receive results by email AND post (because you like the quality of our printers) if you wish (an extra 0.2 credit cost).

**Internet Orders** Internet orders (www.softsim.co.uk) are available for all games here except Advanced Gameplan & Run Chase. If you can please use the website for sending orders - better for me, better for you as it's much quicker and more reliable. You need a username to use it, so email and ask for one (don't put a note on your turnsheet, you need to email and ask). You can also make credit card payments via softsim.co.uk, although these are generally more expensive than shoving a cheque in the post.....

**Email Both Ways** You can use email for your orders, or reports, or both, or neither. They work separately.

**Internet and Faxed Orders** The deadline for these is 9am day of the deadline. Somewhat improbably, some people even manage to miss that, which can be a pain (if I pick up the orders in time) or cause confusion (if they get input subsequently, after the turn is run). Don't submit them late - if you do, don't be surprised if it doesn't turn out the way you expect it.
