## Messages

**Royal Mail** Please be aware of the continuing slide in service from the Royal Mail. Postcomm reported last week that in parts of London it has "collapsed" and the recent decision on deliveries (only 4% of post comes in the second delivery, so let's get rid of the first one) has an element of farce about it - I'm now getting a worse delivery three hours later! I keep banging on that you ought to allow three days for first class mail to arrive, and if you don't and orders do show up late I'm afraid you've only got yourselves to blame (there's no sense in believing the Royal Snail). You simply cannot rely on the Royal Mail for next day delivery. If you want a reliable method of sending in last minute orders, then see the stuff below on Internet orders.

**Email Results** Emailed results are normally sent out between 3pm and 6pm on the day of the deadline, but sometimes later. If there's a delay in processing, it'll say so on www.pbmsports.com - please check there first. If you haven't received emailed results 24 hours after they're due, then email me and ask for them to be resent (emails aren't always instant, and do occasionally vanish into cyberspace, particularly if AOL or Hotmail are involved!). Don't ask me before the 24 hours are due, but don't wait much longer either - if they haven't shown after 24 hours it's a good bet they won't show at all.

**Email Game Reports** There's a downloads page on www.sidetracks.co.uk with the printing utility and a sample game report, so you can try the printing program without needing anything more from us. Email reports are available for ALL games. You can receive results by email AND post (because you like the quality of our printers) if you wish (an extra 0.2 credit cost).

**Internet Orders** Internet orders (www.softsim.co.uk) are available for all games here except Advanced Gameplan & Run Chase. If you can, please use the website for sending orders - better for me, better for you as it's much quicker and more reliable. You need a username to use it, so email and ask for one (don't put a note on your turnsheet, you need to email and ask). You can also make credit card payments via softsim.co.uk, although these are generally more expensive than shoving a cheque in the post....

**Email Both Ways** You can use email for your orders, or reports, or both, or neither. They work separately.

**Internet and Faxed Orders** The deadline for these is 9am day of the deadline. Somewhat improbably, some people even manage to miss that, which can be a pain (if I pick up the orders in time) or cause confusion (if they get input subsequently, after the turn is run). Don't submit them late - if you do, don't be surprised if it doesn't turn out the way you expect it.
