**Aussie PBM** Norman Goetz has now stepped down from running our games in Australia, and his various leagues have transferred to the UK to be run here in Bromley. Our hope is that most of the Aussies will be able to play direct via the Internet, but for any that don't have access to a computer we've sorted out "Aussie Relay". Dave Flesfader will provide a relay station in Oz, receiving orders and sending them on himself, and receiving results, printing them and relaying them to Aussies. Dave's contact details are:- Dave Flesfader, 9/10 Daws Road, Ascot Park, SA 5047, AUSTRALIA. Tel: 08 8177 1818.

**Late Email Results** If you think results are late, please make sure you wait until the following morning before chasing up results. First step is to check out the Latest News at [www.pbmsports.com](http://www.pbmsports.com) - if I am running late I'll post a notice there. If not, then drop me a line, but please do wait until that next morning - emails aren't always instant and just because you know someone else who got their results doesn't mean yours won't show up - emails can take a few hours to get through.

**Start a Second Team** I'm running a special offer for Gridstats throughout October. If you want to run a second team (in a different league to your existing one!) then you can do so by buying up to ten credits at a two for one rate for the new team (so £18.00 or Aus\$50 would get you twenty credits for your new team). The only restriction is that the credits can't be transferred to your other team (ie it's to encourage you to run a second team, not find a way of buying cheap credits for your existing one). Alternatively, if you've already stocked up on credits, I'll transfer credits from your existing team to a new one at two-for-one (up to a maximum of ten transferred, so it's the same offer backdated). If you fancy running a second team just let me know.

**PDF Reports** Emailed game reports in Gameplan Baseball, Raceplan, Hoopplan, Gridstats and Soccer Stats are now available as PDF files. Other games will follow as we get them programmed (so please be patient, it'll take a few weeks to program every game).

I won't change your game reports from "Text" to "PDF" until you ask me to, and if you want a trial of a PDF report let me know. You should find PDF reports rather easier to cope with - Adobe Reader is free to download (see [www.pbmsports.com](http://www.pbmsports.com) for a link) and you can open your reports with one click of the mouse (indeed, you don't need a printer, though most of you will then print from it) and you don't need to worry about dodgy email clients (Hotmail and AOL are particularly common culprits) messing up the formatting, or printer drivers. If you want to stay with the text format that's fine but I only expect people will want to do so if they use the text file for other purposes (such as exporting the listings into some software you've produced yourself).

If you've not tried email reports before, or you've had problems, try out the PDF. It really is very straightforward.

**Credit Card Payments** If you want to pay by credit card over the Internet you now have the option of paying in Sterling, US Dollars or Aussie Dollars, whichever you prefer. Cheques are still fine as well, and actually mean slightly lower charges for us!

**Websites** The website for submitting orders is at [www.softsim.co.uk](http://www.softsim.co.uk). [www.pbmsports.com](http://www.pbmsports.com) is our main "static" information website, as well as news of what's going on here. For news of what is happening with Pete in Yeovil see [www.sidetracks.co.uk](http://www.sidetracks.co.uk). For information on baseball and how it works, see [www.howbaseballworks.com](http://www.howbaseballworks.com) - a site also designed for recruiting new punters!

**Internet Orders** Should be submitted online by 9am. The confirmation that they've been received by us is the page that comes

up in response to you pushing the button. When you see that page, your orders are in. The version that's emailed to you is just for information - we email it to save you having to copy and paste or save it as a screenshot. If the email copy of your orders doesn't appear don't worry - emails get delayed or go missing quite often (far more than some people think). The more people who submit orders via the internet the better - if you want more information, just ask. You can also pay for credits online.
