## Messages

**Late** With apologies, out of the office Wednesday (Suffolk and Essex) and Thursday (Worcestershire), so catching up today.

**Online Turnsheets** The column is now there for MINBATS, and it appears regardless of whether your game has moved up to 2009 rules or not. You can actually adjust MINBATS under the 2005, but the changes won't appear until you reach 2009 rules, and obviously won't come into play until then. All pitchers should start with a default MINBATS of 1 (though I've just added a tweak as some had it set to zero, but that should be ironed out over the next few turns).

**Football Association Stuff** The reminder about deadlines is particularly pertinent because my FA work is increasing at pace. February alone I had meetings in Chicester, Reading, Stowmarket, Worcester, Peterborough, Coventry and Shrewsbury, and March is as busy. It means there's a fair chance I'll be running games a day or two late (I'm trying to avoid FA stuff on consecutive days).

Comments are welcome on deadlines - would you prefer to stick with Wednesday/Thursday deadlines, with a likely 1 in 2/1 in 3 chance they'll run late (I don't want to flag in advance, because meetings do get cancelled, and half the time someone doesn't notice) or would you rather bite the bullet, and switch deadlines to Fridays (when I can be pretty confident I'll always be here, as football people tend to have Friday as the calm before the weekend storm), so I'm rarely booked. Comments please....

**Version 4.4** Hopefully the software stuff has calmed down now, and things should be running normally. I'm aware that no leagues have yet hit 2009 rules, but if you do spot anything awry then let me know. I'm not planning to make any more tweaks for the foreseeable future, though I may do some fiddling with the dropout routines, but those are invisible to you guys.

**9am Deadline** Can I remind everyone that orders should be here by 9am (which for postal users means the previous day's post). A few people seem to be dribbling in email orders during the morning (or afternoon) so be warned, they will miss the boat.

**Late Email Results** If you think results are late, please make sure you wait until the following morning before chasing up results. First step is to check out the Latest News at www.pbmsports.com - if I am running late I'll post a notice there. Please don't chase me up because you know your mate got his half an hour ago, because whilst most emails are "instant", often they do get delayed for a few hours and it does take a while to send them all out (I spread them out to avoid triggering firewalls).

Equally however, if it's the next morning and you've not had results, and there's nothing on www.pbmsports.com saying I've had a problem, then please chase me up. If it hasn't shown 12 hours later, odds are it won't, and probably some firewall or spam filter somewhere has gobbled it (and they do appear to do so without pattern). I'd rather you ended up with two copies than none.

**PDF Reports** Emailed game reports are available for all games here. The standard format is a PDF file - Adobe Reader is free to download (see www.pbmsports.com for a link) and you can open your reports with one click of the mouse and you can either view them on screen, or print them as you wish. You don't need to worry about formatting or printer drivers. The text format for reports is available but I only expect people will want to do so if they use the text file for other purposes (such as exporting the listings into software produced yourself). If you've not tried email reports before, try them out - it really is very easy.
