GM Reminder: Next turn is the only turn you may rename players. Cost is 1 credit for renaming full roster.

Games Over Christmas I've been staring at the calendar and wondering whether the week to skip this Christmas is that beginning 21st or 28th December, and it then occurred to me the answer may be neither. Traditionally we stopped running games over Christmas because of the post, but that was when post was the only method of delivery. Now most of you use the internet, and as the recent postal strikes have shown, everyone managed to cope with slower post anyway.

Which therefore raises the question - should we not have a Christmas break at all? After all, many of you have more time on your hands, and I'd be happy to run turns (I'd probably squeeze them into one day, on Wednesday 23rd and Thursday 24th both on the Thursday 24th and Wednesday 30th and Thursday 31st both on Thursday 31st), so we'd just carry on as normal.

Please let me have your comments ASAP (both from emailers and postal players) and I'll make a decision at the start of December.

Christmas Post The ritual warning that as Christmas approaches, the post will grind to a halt. Given it already has, backwards may be the next step, so don't be surprised if the postmen start calling to return post they've already delivered!!!!

9am Deadline Can I remind everyone that orders should be here by 9am (which for postal users means the previous day's post). A few people seem to be dribbling in email orders during the morning (or afternoon) so be warned, they will miss the boat.

Gameplan Baseball The newsletter with a host of discussion points and possible developments for Gameplan Baseball is still available, and I'm keen for comments. Those of you playing by post should have had a copy, those by email can download it from www.pbmsports.com via the Rules and Newsletters link. Comments are more than welcome. There's a whole host of possibilities, and I'm not suggesting all of them will come in now, or indeed at all, but feedback on any or all is welcome.

Late Email Results If you think results are late, please make sure you wait until the following morning before chasing up results. First step is to check out the Latest News at www.pbmsports.com - if I am running late I'll post a notice there. Please don't chase me up because you know your mate got his half an hour ago, because whilst most emails are "instant", often they do get delayed for a few hours and it does take a while to send them all out (I spread them out to avoid triggering firewalls).

Equally however, if it's the next morning and you've not had results, and there's nothing on www.pbmsports.com saying I've had a problem, then please chase me up. If it hasn't shown 12 hours later, odds are it won't, and probably some firewall or spam filter somewhere has gobbled it (and they do appear to do so without pattern). I'd rather you ended up with two copies than none.

PDF Reports Emailed game reports are available for all games here. The standard format is a PDF file - Adobe Reader is free to download (see www.pbmsports.com for a link) and you can open your reports with one click of the mouse and you can either view them on screen, or print them as you wish. You don't need to worry about formatting or printer drivers. The text format for reports is available but I only expect people will want to do so if they use the text file for other purposes (such as exporting the listings into software produced yourself). If you've not tried email reports before, try them out - it really is very easy.
