Printer Quality Apologies for the slightly ropey printing quality recently. I've now finally got the new one.....

Royal Mail Please be aware of the continuing slide in service from the Royal Mail. For whatever reasons the service has been getting ropier and ropier recently (highlighted by Postcomm last week) and I've been told our local deliveries are likely to be shaken up in the near future (hopefully improving them, though this is probably going to mean a later delivery, which rather misses the point). I keep banging on that you ought to allow three days for first class mail to arrive, and if you don't and orders do show up late I'm afraid you've only got yourselves to blame. You simply cannot rely on the Royal Mail for next day delivery. If you want a reliable method of sending in last minute orders, then see the stuff below on Internet orders.

Email Results Emailed results are normally sent out between 3pm and 6pm on the day of the deadline, but sometimes later. If there's a delay in processing, it'll say so on www.pbmsports.com - so please check there first. If you haven't received emailed results 24 hours after they're due, then email me and ask for them to be resent (emails aren't always instant, and do occasionally vanish into cyberspace, particularly if AOL or Hotmail are involved!). Don't ask me before the 24 hours are due, but don't wait much longer either - if they haven't shown after 24 hours it's a good bet they won't show at all.

Email Game Reports There's a downloads page on www.sidetracks.co.uk with the printing utility and a sample game report, so you can collect and install the printing program and try it out without needing anything more from us. There's even enough information to allow you to fill in the turn and try playing it! Email reports are available for ALL games (bar none). You can receive results by email AND post (because you like the quality of our printers) if you wish (an extra 0.2 credit cost).

Internet Orders Internet orders (www.softsim.co.uk) are available for all games here except Advanced Gameplan & Run Chase. If you can please use the website for sending orders - better for me, better for you as it's much quicker and more reliable. You need a username to use it, so email and ask for one (don't put a note on your turnsheet, you need to email and ask). You can also make credit card payments via softsim.co.uk, although these are generally more expensive than shoving a cheque in the post....

Email Both Ways You can use email for your orders, or reports, or both, or neither. They work separately.

Internet and Faxed Orders The deadline for these is 9am day of the deadline. Somewhat improbably, some people even manage to miss that, which can be a pain (if I pick up the orders in time) or cause confusion (if they get input subsequently, after the turn is run). Don't submit them late - if you do, don't be surprised if it doesn't turn out the way you expect it.
