**Late** With apologies, I was out of the office all day yesterday (Shrewsbury) so running Wednesday and Thursday turns today.

**Football Association Stuff** The reminder about deadlines is particularly pertinent because my FA work is increasing at pace. February alone I've got meetings in Chichester, Reading, Stowmarket, Worcester, Peterborough, Coventry and Shrewsbury, and March is as busy. It means there's a fair chance I'll be running games a day late (I'm trying to avoid FA stuff on consecutive days).

Comments are welcome on deadlines - would you prefer to stick with Wednesday/Thursday deadlines, with a likely 1 in 2/1 in 3 chance they'll run late (I don't want to flag in advance, because meetings do get cancelled, and half the time someone doesn't notice) or would you rather bite the bullet, and switch deadlines to Fridays (when I can be pretty confident I'll always be here, as football people tend to have Friday as the calm before the weekend storm), so I'm rarely booked. Comments please....

**Baseball Recession Buster** I've extended the Recession Buster until the end of February. If you want to take on a new standby position then I'll transfer credits from an existing team (or a new payment) at a rate of two for one. After that they're non-transferable (so you can't double some credits and then move them back!) and it's a maximum of 20 credits (converted to 40).

If you want to specify a couple of leagues you're interested in that's fine, I'll send you out roundups and you can give me some preferences, and hopefully it'll mean a few more teams being run by live players, and perhaps also help out a few of those for whom things are tight, but maybe have a few quid to spend following on from Christmas.

**Version 4.4** Hopefully the software stuff has calmed down now, and things should be running normally. I'm aware that no leagues have yet hit 2009 rules, but if you do spot anything awry then let me know. I'm not planning to make any more tweaks for the foreseeable future, though I may do some fiddling with the dropout routines, but those are invisible to you guys.

**9am Deadline** Can I remind everyone that orders should be here by 9am (which for postal users means the previous day's post). A few people seem to be dribbling in email orders during the morning (or afternoon) so be warned, they will miss the boat.

**Late Email Results** If you think results are late, please make sure you wait until the following morning before chasing up results. First step is to check out the Latest News at www.pbmsports.com - if I am running late I'll post a notice there. Please don't chase me up because you know your mate got his half an hour ago, because whilst most emails are "instant", often they do get delayed for a few hours and it does take a while to send them all out (I spread them out to avoid triggering firewalls).

Equally however, if it's the next morning and you've not had results, and there's nothing on www.pbmsports.com saying I've had a problem, then please chase me up. If it hasn't shown 12 hours later, odds are it won't, and probably some firewall or spam filter somewhere has gobbled it (and they do appear to do so without pattern). I'd rather you ended up with two copies than none.

**PDF Reports** Emailed game reports are available for all games here. The standard format is a PDF file - Adobe Reader is free to download (see www.pbmsports.com for a link) and you can open your reports with one click of the mouse and you can either view them on screen, or print them as you wish. You don't need to worry about formatting or printer drivers. The text format for reports is available but I only expect people will want to do so if they use the text file for other purposes (such as exporting

the listings into software produced yourself). If you've not tried email reports before, try them out - it really is very easy.
