**New Post** From Monday 21st August the new postal rates and system came into force. As far as I'm aware it shouldn't affect us, but be aware that they're based on size, not weight. The lowest rate for postage is a C5 envelope (the sort I use for results) and anything larger than that will cost more (so avoid them). Furthermore, the letter has to be no more than 5mm thick. From a practical point of view, their guidance is this is no more than 12 sheets of A4 folded in half which is fine, though it does mean yours truly will have to be careful in getting paper folded sharply (don't be surprised if the envelope shows iron marks!). Seriously, if the post office do try and tell you a letter is oversized, and it isn't more than twelve sheets, have a moan at them, and if you've got the guidance notes they've been sending out over the last month, show them their own guidance.

**Gridiron Stats 2006** Gridiron Stats has restarted for the 2006 NFL Season. If you fancy trying the game, then you can find all of the rosters for all games on www.pbmsports.com (see the Gridstats page) and anyone prepared to play Online can have a free startup (first three turns included) any time up until the end of September. Just ask for more information.

**PDF Reports** In some games (with others to follow) if you receive your game report formatted as a PDF file and like to view it on-screen, then click the bookmarks tab (on the left of the display) and you should get some bookmarks to help you get around the report more easily. Please try it and tell us how you get on. We can change the bookmarks around easily enough if you think you want different ones, or want them named differently etc. Let us know.

**Late Email Results** If you think results are late, please make sure you wait until the following morning before chasing up results. First step is to check out the Latest News at www.pbmsports.com - if I am running late I'll post a notice there.

**PDF Reports** Emailed game reports are now available for all games here. You should find PDF reports rather easier to cope with - Adobe Reader is free to download (see www.pbmsports.com for a link) and you can open your reports with one click of the mouse (indeed, you don't need a printer, though most of you will then print from it) and you don't need to worry about dodgy email clients (Hotmail and AOL are particularly common culprits) messing up the formatting, or printer drivers. The text format for emailed reports is still available but I only expect people will want to do so if they use the text file for other purposes (such as exporting the listings into some software you've produced yourself).

If you've not tried email reports before, or you've had problems, try out the PDF. It really is very straightforward.

**Credit Card Payments** If you want to pay by credit card over the Internet you now have the option of paying in Sterling, US Dollars or Aussie Dollars, whichever you prefer. Cheques are still fine as well, and actually mean slightly lower charges for us!

**Websites** The website for submitting orders is at www.softsim.co.uk. www.pbmsports.com is our main "static" information website, as well as news of what's going on here. For news of what is happening with Pete in Yeovil see www.sidetracks.co.uk. For information on baseball and how it works, see www.howbaseballworks.com - a site also designed for recruiting new punters!
