GM Reminder: Next turn is the only turn you may rename players. Cost is 1 credit for renaming full roster.

Envelopes Yes, by mistake I ordered some boxes of Windowed Envelopes. It'll take a few weeks to work through them.....

Gridiron Stats Gridiron Stats has just restarted for the new season, so if you want to get in early as the bidding for the rookies starts, now is the time. Gridiron Stats is a trading game running throughout the NFL Season. You coach a team of NFL Stars, every week throughout the season, trading, signing and poaching players. Startup, rules and first three turns for a fiver.

Online Orders If you submit your orders online, the confirmation that they've been received by us is the page that comes up in response to you pushing the button. When you see that page, your orders are in. The version that's emailed to you is just for information - we email it to save you having to copy and paste or save it as a screenshot. If the email copy of your orders doesn't appear don't worry about it - emails get delayed or go missing quite often (far more than some people think).

Email Results Emailed results are normally sent out between 3pm and 6pm. If there's a delay in processing, it'll say so on www.pbmsports.com - please check there first. If you haven't received emailed results 24 hours after they're due, then email me and ask for them to be resent. Don't ask me before the 24 hours are due, but don't wait much longer either.

Email Game Reports There's a downloads page on www.sidetracks.co.uk with the printing utility and a sample game report, so you can try the printing program without needing anything more from us. Email reports are available for ALL games. You can receive results by email AND post (because you like the quality of our printers) if you wish (an extra 0.2 credit cost).

Internet Orders Internet orders (www.softsim.co.uk) are available for all games here except Advanced Gameplan & Run Chase. If you can, please use the website for sending orders - better for me, better for you as it's much quicker and more reliable. You need a username to use it, so email and ask for one (don't put a note on your turnsheet, you need to email and ask). You can also make credit card payments via softsim.co.uk, although these are generally more expensive than shoving a cheque in the post....

Email Both Ways You can use email for your orders, or reports, or both, or neither. They work separately.
