**Christmas is Coming** Christmas is coming, so please be aware that the post will start to grind to a halt (no gags required). Over Christmas we'll effectively miss one week of play, which will probably be the week beginning Monday 27th December, though when I process games due with deadlines on Wednesday 22nd and Thursday 23rd I'm not quite sure yet. Hopefully on time, but they might slide a little. Suffice to say, relying on the post will be a dangerous option, and if you do have access to email and the Internet (for orders, results, or ideally both) then now is a really good time to crank them up!

**Turnaround** As some of you may have noticed, turnaround has been a little slow on a couple of recent occasions. This has been due to a family illness which is likely to continue for some time. What is basically means is that at short notice I'm potentially out of the office (and therefore not running games), so please be patient and take a careful note of the house rules - email results shouldn't be chased until they're 24 hours overdue (and check the latest news section of www.pbmsports.com first - even if I get in so late I can't finish off running games I'll update this) and postal users please wait 3-4 days before asking. Once those times have passed, then please do chase them up as probably something else is the problem.

**Baseball & Football Briefing** If you follow either Major League Baseball, or the NFL and College Football scenes, I can thoroughly recommend two UK publications, Baseball Briefing and Football Briefing. Both bring together reports and writing from a wide range of US magazines and newspapers:- The Sporting News, L.A. Times, Baltimore Sun, Newsday, U.P.I., Hartford Courant, Philadelphia Inquirer and many more. I've been a subscriber to both for over ten years and can thoroughly recommend them.

For the next three issues, please send a cheque/PO for £6.00 (payable to "Baseball Briefing" or "Football Briefing") to Trevor Kendall, 2 Drury Close, Waltham, Grimsby, DN37 0XP. European subscribers add 30p per issue. See also www.baseballbriefing.com

**Special November Offer** During November I've teamed up with Trevor for a special introductory offer for all Ab Initio Games customers. The first ten Ab Initio Games customers who send me payment for ten or more turns can claim a free copy of the latest issue of either Baseball or Football Briefing. Just add a note when you send your payment and I'll sort it out with Trevor.

**Online Orders** If you submit your orders online, the confirmation that they've been received by us is the page that comes up in response to you pushing the button. When you see that page, your orders are in. The version that's emailed to you is just for information - we email it to save you having to copy and paste or save it as a screenshot. If the email copy of your orders doesn't appear don't worry about it - emails get delayed or go missing quite often (far more than some people think).

**Email Results** Emailed results are normally sent out between 3pm and 6pm. If there's a delay in processing, it'll say so on www.pbmsports.com - please check there first. If you haven't received emailed results 24 hours after they're due, then email me and ask for them to be resent. Don't ask me before the 24 hours are due, but don't wait much longer either.

**Email Game Reports** There's a downloads page on www.sidetracks.co.uk with the printing utility and a sample game report, so you can try the printing program without needing anything more from us. Email reports are available for ALL games. You can receive results by email AND post (because you like the quality of our printers) if you wish (an extra 0.2 credit cost).

**Internet Orders** Internet orders (www.softsim.co.uk) are available for all games here except Advanced Gameplan & Run Chase. If you can, please use the website for sending orders - better for me, better for you as it's much quicker and more reliable. You need a username to use it, so email and ask for one (don't put a note on your turnsheet, you need to email and ask). You can also make credit card payments via softsim.co.uk, although these are generally more expensive than shoving a cheque in the post.....

**Email Both Ways** You can use email for your orders, or reports, or both, or neither. They work separately.
