Postal Strike As I'm sure most of you have seen, the Communications Workers Union have called a National Postal Strike for Friday 29th June, with the likelihood of more to come.

Assuming that these strikes are a series of one-day strikes, it is my intention to continue running games as normal. With the majority of players now playing via the Internet anyway they won't be affected, and I don't think it would do anyone any good if we started skipping deadlines - you want games run, and my business needs to keep running.

I appreciate that this will cause disruption for "postal players". If at all possible, I would suggest now is the time to try and get some sort of Internet access (whether a library, mate's computer, Internet Cafe, etc). You can submit orders via www.softsim.co.uk once you've got a username (just email and ask) and results can all be sent as PDF files which can be read on pretty much any machine. If you do want to try a sample report to get it all working, just drop me an email and ask.

For those who really are dependent on the post, then all I can do is recommend you show some patience, and foresight. If results being sent to you are delayed by a 24-hour strike, then don't assume they'll just show up the next day. I'd guess that the strike next Friday (29th June) which will affect results run the day before will mean a backlog of post they'll spend the next 3-4 days clearing, so don't be surprised if results from games run on Thursday 28th June take some time to reach you.

As far as sending in orders, please send them in as early as possible. The overall speed of the post will be reduced with strikes about, so my recommendation that you allow at least three days for first class mail becomes more pertinent than ever. If you have to do it last minute, use the Internet or fax on 020 8249 1819.

Late Email Results If you think results are late, please make sure you wait until the following morning before chasing up results. First step is to check out the Latest News at www.pbmsports.com - if I am running late I'll post a notice there. Please don't chase me up because you know your mate got his half an hour ago, because whilst most emails are "instant", often they do get delayed for a few hours and it does take a while to send them all out. Equally, if I am running late I don't want to be scrabbling around answering emails saying I'm running late, when I'd rather be actually getting the turns run so you don't need to chase me.

Equally however, if it's the next morning and you've not had results, and there's nothing on www.pbmsports.com saying I've had a problem, then please chase me up. If it hasn't shown 12 hours later, odds are it won't, and probably some firewall or spam filter somewhere has gobbled it (and they do appear to do so without pattern). I'd rather you ended up with two copies than none.

PDF Reports Emailed game reports are now available for all games here. You should find PDF reports rather easier to cope with - Adobe Reader is free to download (see www.pbmsports.com for a link) and you can open your reports with one click of the mouse (indeed, you don't need a printer, though most of you will then print from it) and you don't need to worry about dodgy email clients (Hotmail and AOL are particularly common culprits) messing up the formatting, or printer drivers. The text format for emailed reports is still available but I only expect people will want to do so if they use the text file for other purposes (such as exporting the listings into some software you've produced yourself).

If you've not tried email reports before, or you've had problems, try out the PDF. It really is very straightforward.

Credit Card Payments If you want to pay by credit card over the Internet you now have the option of paying in Sterling, US Dollars or Aussie Dollars, whichever you prefer. Cheques are still fine as well, and actually mean slightly lower charges for us!

Websites The website for submitting orders is at www.softsim.co.uk. www.pbmsports.com is our main "static" information website, as well as news of what's going on here. For news of what is happening with Pete in Yeovil see www.sidetracks.co.uk. For information on baseball and how it works, see www.howbaseballworks.com - a site also designed for recruiting new punters!
