Happy New Year/Late Happy New Year to all. Apologies for this week's turns being late - no post delivered Wednesday, no post delivered Thursday and the tell-tale three bundles on Friday. Seems the stand in postie keeps forgetting to deliver! Leaves me stuffed and you guys and girls frustrated I know, but what can we do?! I can't really run a bunch of games without orders.

Late Results A reminder on late results. If you receive them via email wait 24 hours, if you receive them by post wait three days (in fact, I'd suggest wait until you've received Monday's post) before contacting me. If you've access to the net check the latest news section on www.pbmsports.com as I report delays there. Don't bother contacting me before these 24 hours/3 day deadlines, because the answer will be either "I did send them, please wait" or "I'm running late, so probably don't want to be further delayed responding to this". Bottom line, please be patient, but once those times have passed, then do chase them up.

Email Reports There's a downloads page on www.sidetracks.co.uk with the printing utility and a sample game report, so you can collect and install the printing program and try it out without needing anything more from us. There's even enough information to allow you to fill in the turn and try playing it! Email reports are available for ALL games (bar none). You can receive results by email AND post (because you like the quality of our printers) if you wish (an extra 0.2 credit cost).

Internet Orders Internet orders (www.softsim.co.uk) are available for all games here except Advanced Gameplan & Run Chase. If you can please use the website for sending orders - better for me, better for you as it's much quicker and more reliable. You need a username to use it, so email and ask for one (don't put a note on your turnsheet, you need to email and ask). You can also make credit card payments via softsim.co.uk, although these are generally more expensive than shoving a cheque in the post....

Credit Cards You can pay for turns by credit card via www.softsim.co.uk - more expensive than posting a cheque, but rather more instant. The rates quoted are in US Dollars, but you can pay in any currency and the Credit Card bit has a currency converter to tell you the rates. Please note that emailing me to tell me "payment is on the way" really doesn't help - I'll add credits when and if payment arrives, not in lieu of it probably arriving (which just creates more work, and is liable to problems).

Royal Mail Please remember that you really ought to allow at least three days for first class post to arrive. Those who wait until the last minute and expect next day delivery are playing with fire, and do so at your own risk. Not much I can do bar warn you. The service really doesn't guarantee next day delivery, so give it time, or if you can, submit orders via the Internet.

Internet and Faxed Orders The deadline for these is 9am day of the deadline. Somewhat improbably, some people even manage to miss that, which can be a pain (if I pick up the orders in time) or cause confusion (if they get input subsequently, after the turn is run). Don't submit them late - if you do, don't be surprised if it doesn't turn out the way you expect it.

Pinch Hitters I've made a software change with pinch hitters. Previously the special actions routine would reject a PINCH order if you tried to put the same player in two spots, or two players in the same spot. This supposedly not being a sensible thing to do. However, someone has now come up with good reasons to do so - first you might have a platoon at one position, and want the other half of the platoon pinch hitting for the other (so A pinches for B, and B pinches for A) and you might want a guy

pinch hitting for two positions (eg SS and 2B), but not wanting to go the whole hog and use the IF and OF.

The rules are unchanged, as none of this was in the rules anyway. Note that a pinch hitter can't be replaced by a second pinch hitter (if a pinch hitter comes in, he plays until the end of the game regardless) and obviously a player can't pinch hit in more than one position (the software shouldn't let this happen, but tell me if it does!). If the computer has a choice of pinch hitters then it'll go with the higher one - ie PINCH1 first, then PINCH2 and so forth.

All of these changes are in the software immediately - if you spot anything awry (unlikely, but possible) please let me know.

Team Listings There's only space in the squad listings for a single position to be shown if a player is a pinch hitter, so if you have a guy in more than one slot it'll only show the first one. As the various pinch hitting slots are shown separately on the same page there shouldn't be any confusion (I hope).
