Note: Form, total form, fatigue & injuries are all cleared prior to the start of the regular season.

Next Deadline Is 7th or 8th January, so plenty of time for the post to catch up and sort itself out over the New Year. Meanwhile best wishes for Christmas and New Year to everyone.

Pinch Hitters I've made a software change with pinch hitters. Previously the special actions routine would reject a PINCH order if you tried to put the same player in two spots, or two players in the same spot. This supposedly not being a sensible thing to do. However, someone has now come up with good reasons to do so - first you might have a platoon at one position, and want the other half of the platoon pinch hitting for the other (so A pinches for B, and B pinches for A) and you might want a guy pinch hitting for two positions (eg SS and 2B), but not wanting to go the whole hog and use the IF and OF.

The rules are unchanged, as none of this was in the rules anyway. Note that a pinch hitter can't be replaced by a second pinch hitter (if a pinch hitter comes in, he plays until the end of the game regardless) and obviously a player can't pinch hit in more than one position (the software shouldn't let this happen, but tell me if it does!). If the computer has a choice of pinch hitters then it'll go with the higher one - ie PINCH1 first, then PINCH2 and so forth.

All of these changes are in the software immediately - if you spot anything awry (unlikely, but possible) please let me know.

Team Listings There's only space in the squad listings for a single position to be shown if a player is a pinch hitter, so if you have a guy in more than one slot it'll only show the first one. As the various pinch hitting slots are shown separately on the same page there shouldn't be any confusion (I hope).

Christmas Shutdown The office will close on Friday 19th December and re-open on Friday 2nd January 2004. In fact, I'll be doing a few bits and pieces over Christmas, not least running Gridstats on Tuesday 23rd and 30th December.

Waiting Lists Pete has waiting lists open for the new version of Speculate and Australian Empires, as well as Medieval Empires, Spaceplan, Dark Age and Speculate. If you want more information on any of these just ask, or check out www.sidetracks.co.uk - the waiting list for Gameplan Baseball MLB8 here is now closed, and the league will start play shortly.

Email Reports There's a downloads page on www.sidetracks.co.uk with the printing utility and a sample game report, so you can collect and install the printing program and try it out without needing anything more from us. There's even enough information to allow you to fill in the turn and try playing it! Email reports are available for ALL games (bar none). You can receive results by email AND post (because you like the quality of our printers) if you wish (an extra 0.2 credit cost).

Internet Orders Internet orders (www.softsim.co.uk) are available for all games here except Advanced Gameplan & Run Chase. If you can please use the website for sending orders - better for me, better for you as it's much quicker and more reliable. You need a username to use it, so email and ask for one (don't put a note on your turnsheet, you need to email and ask). You can also make credit card payments via softsim.co.uk, although these are generally more expensive than shoving a cheque in the post....

Credit Cards You can pay for turns by credit card via www.softsim.co.uk - more expensive than posting a cheque, but rather

more instant. The rates quoted are in US Dollars, but you can pay in any currency and the Credit Card bit has a currency converter to tell you the rates. Please note that emailing me to tell me "payment is on the way" really doesn't help - I'll add credits when and if payment arrives, not in lieu of it probably arriving (which just creates more work, and is liable to problems).
