**Deadlines** Thanks for all the feedback on deadlines. The majority simply said to do what suits me best (thanks for that) but plenty of other thoughts. For the moment we'll leave things unchanged - right now it seems I'm out of the office one out of three Wednesdays, and one out of three Thursdays, though sometimes it's an evening meeting, so I'm here until early afternoon (so yes, I will start running games at 9.01am). What I can't promise going ahead is that "Wednesday" and "Thursday" games won't run on the same day (if I'm out Wednesday, both days will run Thursday) and I can't promise they won't be delayed until Friday (if I'm not here on the day they're due to run, I'm not here, it's that simple). So for the moment we'll continue with the Wednesday and Thursday deadlines, and that may mean games running 24 or 48 hours late, but I'll continue to see how things go.

**9am Deadline** Can I remind everyone that orders should be here by 9am (which for postal users means the previous day's post). A few people seem to be dribbling in email orders during the morning (or afternoon) so be warned, they will miss the boat.

**2009 Rules - Standings** I've set the standings on the 2009 rules to show Minors on odd weeks (1, 3, 5, etc) and Trainers on even weeks (2, 4, 6, etc). I can't see you need to see them each week, and there's not space, hence the rotation.

**2009 Rules - Incoming FAs** With the new 2009 rules, you may see incoming free agents with silly total form (1000+). I think I've stopped the software from creating new ones but there will be a few old ones in the system. If one appears, let me know.

**Online Turnsheets** The column is now there for MINBATS, and it appears regardless of whether your game has moved up to 2009 rules or not. You can actually adjust MINBATS under the 2005, but the changes won't appear until you reach 2009 rules, and obviously won't come into play until then. All pitchers should start with a default MINBATS of 1 (though I've just added a tweak as some had it set to zero, but that should be ironed out over the next few turns).

**Late Email Results** If you think results are late, please make sure you wait until the following morning before chasing up results. First step is to check out the Latest News at www.pbmsports.com - if I am running late I'll post a notice there. Please don't chase me up because you know your mate got his half an hour ago, because whilst most emails are "instant", often they do get delayed for a few hours and it does take a while to send them all out (I spread them out to avoid triggering firewalls).

Equally however, if it's the next morning and you've not had results, and there's nothing on www.pbmsports.com saying I've had a problem, then please chase me up. If it hasn't shown 12 hours later, odds are it won't, and probably some firewall or spam filter somewhere has gobbled it (and they do appear to do so without pattern). I'd rather you ended up with two copies than none.

**PDF Reports** Emailed game reports are available for all games here. The standard format is a PDF file - Adobe Reader is free to download (see www.pbmsports.com for a link) and you can open your reports with one click of the mouse and you can either view them on screen, or print them as you wish. You don't need to worry about formatting or printer drivers. The text format for reports is available but I only expect people will want to do so if they use the text file for other purposes (such as exporting the listings into software produced yourself). If you've not tried email reports before, try them out - it really is very easy.
