Next Week Week beginning Monday 1st August is cricket week at Beckenham, so don't be surprised if some turns (most likely Thursday's) run a tad late (possibly on Friday, possibly late at night, or possibly on time). But make sure orders are in on time.

New Printer As you'll have seen, there's a new printer in use this time. Over the last almost ten years I've actually used a variety of different Kyocera Laser Printers, all in Epson emulation (for those who remember the days of Epson inkjets) without any visible change in the printouts, but Kyocera have changed the "default font" their Epson emulation uses from "Line Printer" to "Letter Gothic". I queried this difference, and two of their technical bods have spent two days figuring it out before telling me "the factory have changed it for all current models and there's nothing we can do". Pity I didn't know when I bought it.

Anyway, what it means is that printed reports will look slightly different from the past, because a different font is being used. Probably as many people will like the change as won't, but the point is moot - it is what it is and it's what Kyocera now produce.

If you spot anything awry with printing (someone's already spotted that underlined numbers in tables of Baseball stats make a mess) then please point them out to me. These things aren't supposed to happen, but if they do I'll fix them.

Credit Card Payments If you want to pay by credit card over the Internet you now have the option of paying in Sterling, US Dollars or Aussie Dollars, whichever you prefer. Cheques are still fine as well, and actually mean slightly lower charges for us!

Websites The website for submitting orders is at www.softsim.co.uk. www.pbmsports.com is our main "static" information website, as well as news of what's going on here. For news of what is happening with Pete in Yeovil see www.sidetracks.co.uk. For information on baseball and how it works, see www.howbaseballworks.com - a site also designed for recruiting new punters!

Internet Orders Should be submitted online by 9am. The confirmation that they've been received by us is the page that comes up in response to you pushing the button. When you see that page, your orders are in. The version that's emailed to you is just for information - we email it to save you having to copy and paste or save it as a screenshot. If the email copy of your orders doesn't appear don't worry - emails get delayed or go missing quite often (far more than some people think). The more people who submit orders via the internet the better - if you want more information, just ask. You can also pay for credits online.

Email Results Emailed results are normally sent out between 3pm and 6pm. If there's a delay in processing, it'll say so on www.pbmsports.com - please check there first. If you haven't received emailed results 24 hours after they're due, then email me and ask for them to be resent. Don't ask me before the 24 hours are due, but don't wait much longer either.
