Play On - Australian Rules Football Our Aussie Rules Football stats game has just restarted for the new season. If you've not seen much of the game, you can find full details at www.playonfootball.com and the AFL (Australian Football League) is comprehensively covered at <http://afl.com.au> - ask for more details, or see www.playonfootball.com on how to get started.

Late Email Results If you think results are late, please make sure you wait until the following morning before chasing up results. First step is to check out the Latest News at www.pbmsports.com - if I am running late I'll post a notice there. Please don't chase me up because you know your mate got his half an hour ago, because whilst most emails are "instant", often they do get delayed for a few hours and it does take a while to send them all out. Equally, if I am running late I don't want to be scrabbling around answering emails saying I'm running late, when I'd rather be actually getting the turns run so you don't need to chase me.

Equally however, if it's the next morning and you've not had results, and there's nothing on www.pbmsports.com saying I've had a problem, then please chase me up. If it hasn't shown 12 hours later, odds are it won't, and probably some firewall or spam filter somewhere has gobbled it (and they do appear to do so without pattern). I'd rather you ended up with two copies than none.

PDF Reports Emailed game reports are now available for all games here. You should find PDF reports rather easier to cope with - Adobe Reader is free to download (see www.pbmsports.com for a link) and you can open your reports with one click of the mouse (indeed, you don't need a printer, though most of you will then print from it) and you don't need to worry about dodgy email clients (Hotmail and AOL are particularly common culprits) messing up the formatting, or printer drivers. The text format for emailed reports is still available but I only expect people will want to do so if they use the text file for other purposes (such as exporting the listings into some software you've produced yourself).

If you've not tried email reports before, or you've had problems, try out the PDF. It really is very straightforward.

Credit Card Payments If you want to pay by credit card over the Internet you now have the option of paying in Sterling, US Dollars or Aussie Dollars, whichever you prefer. Cheques are still fine as well, and actually mean slightly lower charges for us!

Websites The website for submitting orders is at www.softsim.co.uk. www.pbmsports.com is our main "static" information website, as well as news of what's going on here. For news of what is happening with Pete in Yeovil see www.sidetracks.co.uk. For information on baseball and how it works, see www.howbaseballworks.com - a site also designed for recruiting new punters!
