GM Reminder: Form, total form, fatigue & injuries are all cleared prior to the start of the regular season.

Baseball Recession Buster Until the end of January I'm running an offer on Gameplan Baseball. If you want to take on a new standby position then I'll transfer credits from an existing team (or a new payment) at a rate of two for one. After that they're non-transferable (so you can't double some credits and then move them back!) and it's a maximum of 20 credits (converted to 40).

If you want to specify a couple of leagues you're interested in that's fine, I'll send you out roundups and you can give me some preferences, and hopefully it'll mean a few more teams being run by live players, and perhaps also help out a few of those for whom things are tight, but maybe have a few quid to spend following on from Christmas.

Next Deadline Is Wednesday 6th/Thursday 7th January, by which time we should be back to normal.

Happy Christmas Very best wishes to everyone at Christmas. I know there's a few guys out there finding things tough, but hanging in, and I hope over the festive period everyone gets a welcome break from the stresses and strains...

Gameplan Baseball The newsletter with a host of discussion points and possible developments for Gameplan Baseball is still available, and I'm keen for comments. Those of you playing by post should have had a copy, those by email can download it from www.pbmsports.com via the Rules and Newsletters link. Comments are more than welcome. There's a whole host of possibilities, and I'm not suggesting all of them will come in now, or indeed at all, but feedback on any or all is welcome.

9am Deadline Can I remind everyone that orders should be here by 9am (which for postal users means the previous day's post). A few people seem to be dribbling in email orders during the morning (or afternoon) so be warned, they will miss the boat.

Late Email Results If you think results are late, please make sure you wait until the following morning before chasing up results. First step is to check out the Latest News at www.pbmsports.com - if I am running late I'll post a notice there. Please don't chase me up because you know your mate got his half an hour ago, because whilst most emails are "instant", often they do get delayed for a few hours and it does take a while to send them all out (I spread them out to avoid triggering firewalls).

Equally however, if it's the next morning and you've not had results, and there's nothing on www.pbmsports.com saying I've had a problem, then please chase me up. If it hasn't shown 12 hours later, odds are it won't, and probably some firewall or spam filter somewhere has gobbled it (and they do appear to do so without pattern). I'd rather you ended up with two copies than none.

PDF Reports Emailed game reports are available for all games here. The standard format is a PDF file - Adobe Reader is free to download (see www.pbmsports.com for a link) and you can open your reports with one click of the mouse and you can either view them on screen, or print them as you wish. You don't need to worry about formatting or printer drivers. The text format for reports is available but I only expect people will want to do so if they use the text file for other purposes (such as exporting the listings into software produced yourself). If you've not tried email reports before, try them out - it really is very easy.
