**Future Deadlines - 9am** Bearing in mind the paragraph below, I think the time has come to declare "next day post" dead. Right now I'm in the office most of the morning, twiddling thumbs, and the post arrives between 1pm and 2pm, so I'm either rushing to get turns run, or not here, so they run late. Which is pretty nonsensical when I could've run them all in the morning.

So from next turn, I'll start running games at 9am in the morning, and NOT wait for the post. For postal players, it simply means you need to be a bit more organised - you can't post orders on a Tuesday in the expectation/hope they'll be with me Wednesday - they won't - MAKE SURE you post early. On the positive side, unless other things disrupt me, results will be out earlier - both for the email guys (who'll get them a few hours earlier) and probably in an earlier postal collection as well.

**Late Woes** Apologies if this turn is with you late. I've got a family member back in hospital, so that's the focus of things and work is fitting in and around it when I can manage, with a potential knock-on effect on timing of running and sending results.

**Printer Woes** And more apologies for those receiving printed reports. My main printer has ongoing problems (chewing up paper) with engineers coming to look at it, not fixing it, and having to come back and the backup printer is, well a backup, with occasionally dodgy quality and a slightly different type-face. So if you do get a slightly dodgy report (which may depend on which printer I've used) my apologies, though as always it's worth looking at the email option.

**Alternative Address** My advice about addresses remains the same. Until further notice, I'd recommend that rather than addressing orders to my PO Box, you use my "direct address" for orders, which is as follows:-

**Danny McConnell, 49 Westpoint, Shortlands Grove, Bromley, Kent, BR2 0ND**

If you use the PO Box address, don't worry. That'll still get delivered as I'm not going to cancel it any time soon (one of the reasons to use a PO Box is that if I move, I can leave the address for you guys unchanged).

**Late Email Results** If you think results are late, please make sure you wait until the following morning before chasing up results. First step is to check out the Latest News at www.pbmsports.com - if I am running late I'll post a notice there. Please don't chase me up because you know your mate got his half an hour ago, because whilst most emails are "instant", often they do get delayed for a few hours and it does take a while to send them all out (I spread them out to avoid triggering firewalls).

Equally however, if it's the next morning and you've not had results, and there's nothing on www.pbmsports.com saying I've had a problem, then please chase me up. If it hasn't shown 12 hours later, odds are it won't, and probably some firewall or spam filter somewhere has gobbled it (and they do appear to do so without pattern). I'd rather you ended up with two copies than none.

**PDF Reports** Emailed game reports are available for all games here. The standard format is a PDF file - Adobe Reader is free to download (see www.pbmsports.com for a link) and you can open your reports with one click of the mouse and you can either view them on screen, or print them as you wish. You don't need to worry about formatting or printer drivers. The text format for reports is available but I only expect people will want to do so if they use the text file for other purposes (such as exporting the listings into software produced yourself). If you've not tried email reports before, try them out - it really is very easy.
