## Messages

Happy Christmas This is your last turn before Christmas, so may I take the opportunity to wish you and yours the very best for the Festive Period. Have a good one, and try not to eat or drink more than I intend to!

Next Deadline With New Year's Day being on the Tuesday, I've set deadlines for Friday 4th January. Back to normal after.

Christmas Hours The office will close on Thursday 20th December and reopen on Wednesday 2nd January (though I'll set Friday deadlines that week) so we'll effectively skip a week over Christmas (though I will run a turn of Gridstats during the break). That means that turns due this week will have one more deadline before Christmas and then you'll be into the New Year.

Christmas Post As we head into December the post will slow to a crawl, so those of you still relying on Snail Mail please ensure you post early. Turns will run (on time) up until Thursday 20th December, so we'll suffer the worst of the post.

Late Email Results If you think results are late, please make sure you wait until the following morning before chasing up results. First step is to check out the Latest News at www.pbmsports.com - if I am running late I'll post a notice there. Please don't chase me up because you know your mate got his half an hour ago, because whilst most emails are "instant", often they do get delayed for a few hours and it does take a while to send them all out (I spread them out to avoid triggering firewalls).

Equally however, if it's the next morning and you've not had results, and there's nothing on www.pbmsports.com saying I've had a problem, then please chase me up. If it hasn't shown 12 hours later, odds are it won't, and probably some firewall or spam filter somewhere has gobbled it (and they do appear to do so without pattern). I'd rather you ended up with two copies than none.

PDF Reports Emailed game reports are available for all games here. The standard format is a PDF file - Adobe Reader is free to download (see www.pbmsports.com for a link) and you can open your reports with one click of the mouse and you can either view them on screen, or print them as you wish. You don't need to worry about formatting or printer drivers. The text format for reports is available but I only expect people will want to do so if they use the text file for other purposes (such as exporting the listings into software produced yourself). If you've not tried email reports before, try them out - it really is very easy.
