Cricket Season Be warned that the cricket season is here, so there's a chance I might tart off at short notice to play a game (most likely Wednesdays, possibly Thursdays). If so, games will run a day late and I'll post a note on www.pbmsports.com

Online Orders If you submit your orders online, the confirmation that they've been received by us is the page that comes up in response to you pushing the button. When you see that page, your orders are in. The version that's emailed to you is just for information - we email it to save you having to copy and paste or save it as a screenshot. If the email copy of your orders doesn't appear don't worry about it - emails get delayed or go missing quite often (far more than some people think).

Royal Mail Please be aware of the continuing slide in service from the Royal Mail. I keep banging on that you ought to allow three days for first class mail to arrive, and if you don't and orders do show up late I'm afraid you've only got yourselves to blame (there's no sense in believing the Royal Snail). You simply cannot rely on the Royal Mail for next day delivery. If you want a reliable method of sending in last minute orders, then see the stuff below on Internet orders.

Email Results Emailed results are normally sent out between 3pm and 6pm. If there's a delay in processing, it'll say so on www.pbmsports.com - please check there first. If you haven't received emailed results 24 hours after they're due, then email me and ask for them to be resent. Don't ask me before the 24 hours are due, but don't wait much longer either.

Email Game Reports There's a downloads page on www.sidetracks.co.uk with the printing utility and a sample game report, so you can try the printing program without needing anything more from us. Email reports are available for ALL games. You can receive results by email AND post (because you like the quality of our printers) if you wish (an extra 0.2 credit cost).

Internet Orders Internet orders (www.softsim.co.uk) are available for all games here except Advanced Gameplan & Run Chase. If you can, please use the website for sending orders - better for me, better for you as it's much quicker and more reliable. You need a username to use it, so email and ask for one (don't put a note on your turnsheet, you need to email and ask). You can also make credit card payments via softsim.co.uk, although these are generally more expensive than shoving a cheque in the post.....

Email Both Ways You can use email for your orders, or reports, or both, or neither. They work separately.

Internet and Faxed Orders The deadline for these is 9am day of the deadline. Somewhat improbably, some people even manage to miss that, which can be a pain (if I pick up the orders in time) or cause confusion (if they get input subsequently, after the turn is run). Don't submit them late - if you do, don't be surprised if it doesn't turn out the way you expect it.
