GM: Danny McConnell Version: 4.1 (2003 Rules) Deadline: Wednesday 1st June

Messages

Raceplan Version 2.2/F1 2005 Raceplan has now updated to 2005 rules - one engine for two races, no tyre stops, two lap qualifying etc. I've not followed real life in allowing you to build illegal bits of car and get banned for a couple of races, nor decided to randomly program in that you don't get the last page of the race report if it's particularly exciting! Ask for more information, or £5.00 will get you rules, setup and first two turns.

HowBaseballWorks.com You should find a new website at www.howbaseballworks.com - it's intended to provide a guide to MLB, both for the inexperienced viewer, but also for the more experienced people (like you lot). It isn't just there to be interesting and informative, as sadly they don't pay the bills, so the hope is that traffic through it will produce Gameplan Baseball players!

If you're on a chat forum (not one full of people already converted) then please give it a plug - remember that we offer a couple of free credits for anyone new you introduce to our games (which is for genuinely new punters, not people switching leagues) and it's in your interests to get new players (ie new competition as well). So if you know some baseball fans, give it a plug.

Websites The website for submitting orders is at www.softsim.co.uk. www.pbmsports.com is our main "static" information website, as well as news of what's going on here. For news of what is happening with Pete in Yeovil see www.sidetracks.co.uk

Online Orders If you submit your orders online, the confirmation that they've been received by us is the page that comes up in response to you pushing the button. When you see that page, your orders are in. The version that's emailed to you is just for information - we email it to save you having to copy and paste or save it as a screenshot. If the email copy of your orders doesn't appear don't worry about it - emails get delayed or go missing quite often (far more than some people think).

Email Results Emailed results are normally sent out between 3pm and 6pm. If there's a delay in processing, it'll say so on www.pbmsports.com - please check there first. If you haven't received emailed results 24 hours after they're due, then email me and ask for them to be resent. Don't ask me before the 24 hours are due, but don't wait much longer either.

Email Game Reports There's a downloads page on www.sidetracks.co.uk with the printing utility and a sample game report, so you can try the printing program without needing anything more from us. Email reports are available for ALL games. You can receive results by email AND post (because you like the quality of our printers) if you wish (an extra 0.2 credit cost).

Internet Orders Internet orders (www.softsim.co.uk) are available for all games here except Advanced Gameplan & Run Chase. If you can, please use the website for sending orders - better for me, better for you as it's much quicker and more reliable. You need a username to use it, so email and ask for one (don't put a note on your turnsheet, you need to email and ask). You can also make credit card payments via softsim.co.uk, although these are generally more expensive than shoving a cheque in the post....

Email Both Ways You can use email for your orders, or reports, or both, or neither. They work separately.
