PDF Reports In some games (with others to follow) if you receive your game report formatted as a PDF file and like to view it on-screen, then click the bookmarks tab (on the left of the display) and you should get some bookmarks to help you get around the report more easily. Please try it and tell us how you get on. We can change the bookmarks around easily enough if you think you want different ones, or want them named differently etc. Let us know.

Online Games Looking to the future, we need to get an idea of what competition we'd have if we rebuilt Gameplan as a truly interactive online game. What games do you guys know about, and what do you think of them? What can you find if you go out and look? What do you know about the companies already in the business of running games online, and how they operate? Who's good, and who's not? Note: by online we mean where you interact with your team directly online, rather than simply using the internet for sending stuff back and forth (as we're doing at present - we've only updated from play-by-mail to play-by-email).

Late Email Results If you think results are late, please make sure you wait until the following morning before chasing up results. First step is to check out the Latest News at www.pbmsports.com - if I am running late I'll post a notice there.

PDF Reports Emailed game reports are now available for all games here. You should find PDF reports rather easier to cope with - Adobe Reader is free to download (see www.pbmsports.com for a link) and you can open your reports with one click of the mouse (indeed, you don't need a printer, though most of you will then print from it) and you don't need to worry about dodgy email clients (Hotmail and AOL are particularly common culprits) messing up the formatting, or printer drivers. The text format for emailed reports is still available but I only expect people will want to do so if they use the text file for other purposes (such as exporting the listings into some software you've produced yourself).

If you've not tried email reports before, or you've had problems, try out the PDF. It really is very straightforward.

Credit Card Payments If you want to pay by credit card over the Internet you now have the option of paying in Sterling, US Dollars or Aussie Dollars, whichever you prefer. Cheques are still fine as well, and actually mean slightly lower charges for us!

Websites The website for submitting orders is at www.softsim.co.uk. www.pbmsports.com is our main "static" information website, as well as news of what's going on here. For news of what is happening with Pete in Yeovil see www.sidetracks.co.uk. For information on baseball and how it works, see www.howbaseballworks.com - a site also designed for recruiting new punters!
