Dark Age There's a waiting list open for new games of Dark Age, being run by Steve Coombs (who designed the online turnsheets system and got the email reports working). For more details, and waiting lists, see www.darkage2.co.uk

FA Deadlines At present I'm generally keeping up with deadlines, though FA meetings do occasionally cause a slide of a day and they're certainly keeping me busy. Apologies for the disruption when it does occur but at the moment Wednesday/Thursdays are OK, so we'll keep going with them for the moment at least. Please make sure orders are in by 9am though, so I can crack on with running games as soon as possible during the day, as quite often I'm out of the office from mid-afternoon onwards.

Gameplan Baseball The newsletter with a host of discussion points and possible developments for Gameplan Baseball is still available, and I'm keen for comments. Those of you playing by post should have had a copy, those by email can download it from www.pbmsports.com via the Rules and Newsletters link. Comments are more than welcome. There's a whole host of possibilities, and I'm not suggesting all of them will come in now, or indeed at all, but feedback on any or all is welcome.

Late Email Results If you think results are late, please make sure you wait until the following morning before chasing up results. First step is to check out the Latest News at www.pbmsports.com - if I am running late I'll post a notice there. Please don't chase me up because you know your mate got his half an hour ago, because whilst most emails are "instant", often they do get delayed for a few hours and it does take a while to send them all out (I spread them out to avoid triggering firewalls).

Equally however, if it's the next morning and you've not had results, and there's nothing on www.pbmsports.com saying I've had a problem, then please chase me up. If it hasn't shown 12 hours later, odds are it won't, and probably some firewall or spam filter somewhere has gobbled it (and they do appear to do so without pattern). I'd rather you ended up with two copies than none.

PDF Reports Emailed game reports are available for all games here. The standard format is a PDF file - Adobe Reader is free to download (see www.pbmsports.com for a link) and you can open your reports with one click of the mouse and you can either view them on screen, or print them as you wish. You don't need to worry about formatting or printer drivers. The text format for reports is available but I only expect people will want to do so if they use the text file for other purposes (such as exporting the listings into software produced yourself). If you've not tried email reports before, try them out - it really is very easy.
